### THE DIFFERENCE IS IN THE DETAILS!

MS1 system in SCH-80 PVC shown with LMI Series 9 electronic metering pump.

**BLUE PLANET ENVIRONMENTAL SYSTEMS, INC.** is the industry leader in packaged chemical feed systems. With a wide selection of standard configurations, rapid development of custom systems, and plenty of options and accessories to choose from: **there simply is no equal!**

Our Simplex Chemical Metering Skid includes all of the chemical metering accessories required for safe, reliable operation and also includes the tools necessary to verify proper operation of the system. We have even included standard flushing inlets and outlets so the system can be evacuated of chemical and flushed prior to disassembly for service or inspection.

Let us recommend a pump for your application based on our experience or, if you have already standardized on a specific brand, we can work with you to reduce spare parts inventory.

The entire system is hydraulically and electrically tested at our facility prior to shipment to ensure success at start up. The MS1 Series System offers a minimal footprint, simplified installation and easy commissioning.

Give us a call to discuss your requirements and see for yourself how easy and affordable a high-quality engineered solution can be to purchase and operate.
